THE College Hall Old Students' Association was founded on January 16th, 1896.

All students who have resided at College Hall and have now left are eligible for membership.

All students in residence who have been three years at the Hall are eligible for membership.

Two meetings are held during the year, the Annual Business Meeting in January, and a Social Meeting on the Second Saturday in November. The Committee is elected annually at the Business Meeting.

The subscription is 2s. per annum or £1 10s. for life.

Privileges of Members. Members may use the College Hall Library and may have Luncheon, Supper, or Dinner at the Hall, at a charge of 1/-.

Resolution of Council of College Hall, June 8th, 1903:—

“That Old Students wishing to avail themselves of the privilege of staying occasionally as guests at the Hall must make application to the Principal.”

The guest fee for Old Students is 5/6 per night. No guest may reside at the Hall at this reduced fee for Old Students for longer than one week. In case of longer residence the ordinary guest-fee will be charged.

The charge for residence at the bungalow at Flackwell Heath for members of the O.S.A. is 1/9 per day, or, during the holidays, 11/6 per week.

Report for 1913-14.

THERE are now 129 members of the Association.

A meeting was held on May 3rd, at which Miss Aldrich-Blake, M.S., to whom the Association is so greatly indebted for her work as Treasurer, was elected Vice-President of the Association.

It will be remembered that Miss Morison bequeathed one-third of the residue of her estate to the New Hospital for Women. This bequest has been used to found the Rosa Morison House of Recovery at New Barnet, in connection with the Hospital, where patients are sent to complete their recovery in quiet surroundings and fresh air. A bronze memorial tablet presented by the C.H.O.S.A. has been put up in the Hall at Rosa Morison House. The inscription on the tablet runs as follows: “In grateful memory of Rosa Morison through whose generosity this House of Recovery was founded in connection with the New Hospital for Women, 1913.”

The tablet was made by Messrs. Wakelin and Dent, at a cost of £4 16s.

Miss Aldrich-Blake has again been elected representative of Past Students on the Council of College Hall.

On May 5th, by invitation of the Council, an evening party was held at the Hall to meet Miss Lindsell and Miss Hollings. There was a large attendance of past and present students and lecturers and professors from University College, the Women's School of Medicine and other educational institutions.

Old students will be glad to know that the purchase of the freehold of Byng Place, and of the leasehold from the Coward Trustees, has been completed. The sum of £19,000 still has to be raised for the erection and equipment of a new Hall.

The Bungalow at Flackwell Heath has been in constant use until late into the Autumn. The garden has done well and the Hall has been plentifully supplied with flowers from it. The Bungalow is a great boon to the students who go down for week-ends. Old Students may also enjoy this privilege. About £35 a year is required to keep the place going and a few annual subscriptions for this object would be very welcome.

A grant of £10 was made to the Bungalow from the interest on the Grove-Morison Bequest.

On the evening of December 6th, a Social Meeting was held at the Hall. Though it was a very wet night there was a good attendance of past and present students, amongst whom it was very pleasant to see Miss Louisa Macdonald, Principal of the Women's College, Sydney. A very enjoyable entertainment was given in the Dining Hall, consisting of original recitations mostly in Yorkshire dialect, by Miss Emily Ford, and of songs and pianoforte solos by Miss Morfydd Owen. Miss Lloyd Williams accompanied.

Much interest was caused by the fancy dresses worn by many of the guests; Robin Hood, a Quakeress, peasants of several nationalities, and a French Soubrette rubbed shoulders with Solomon, a British King and two ferocious Roman warriors. By the vote of the assembly the first prize was awarded to Solomon (Miss Richards),

the second prize to Bunty (Miss Buer), and the third to a Spanish Lady (Miss L. Hamilton).

The Eighteenth Annual Meeting was held on January 24th, 1914, Miss Macdonald, M.B., in the chair. The statement of accounts showed a balance in hand of £43 7s. 9d.

A grant of £10 was voted to the Bungalow, and £2 to the Rifle Club to be used for prizes. (See Report of the Rifle Club.)

During the past year Old Students of College Hall have done varied and interesting work, much of which is indicated in the list of Members.

Novels have been published by Mrs. Sidgwick (*Below Stairs*, Methuen); and Mrs. Williams (*The Sorrow Stones*, Longmans).

Miss Brodrick has been appointed by the King to be a Lady of Grace in the Order of St. John of Jerusalem or Knights Hospitalers, which is one of the oldest orders in Europe and dates from the Crusades. Miss Brodrick went with an expedition to Meroë, where the palace of the Queens of Ethiopia has recently been excavated.

Mrs. Lester Alton, the world's champion lady shot, who has devoted much time and trouble to the founding of the College Hall Rifle Club, has made a remarkable score at the Open Bisley meeting, taking the following places: 1st in the Brookwood 200, 500, 600 yards, with 104 out of 105: 2nd in the B.M.M.C., 1,000 yards, 35 out of 35 (lost 1st place in Tie Shooting): 3rd in the Donegal, 300 and 600 yards, with $33 + 50 = 83$ out of $35 + 50 = 85$.

College Hall Rifle Club Report.

The Club was founded in November, 1913, and consisted of one Life member and thirteen ordinary Members.

The first practice took place at University College Range, by the kind permission of Dr. Filon and the members of A Company of the University College Officers' Training Corps. Subsequently it was arranged that the Club should be affiliated to the Marylebone Rifle Club, Harewood Avenue, Marylebone Road, and our thanks are due to Mr. Rush, the Hon. Secretary for so kindly and speedily placing our request before his Council, and for subsequently enrolling our members.

For the remainder of the term our members practised at the Range, and considering that most of us were entire novices, good progress was made. Some of our members show great promise as shots and made very creditable targets, and we have great hopes of raising a team of six members to represent us at the "All Comers" Competitions at the Surrey Ladies' Rifle Association Meeting in June, 1914: and possibly also at the annual Meetings of the Kent Ladies' Rifle Association, and the Sussex Ladies' Rifle Association. We hope in time to form the nucleus of a London University Ladies' Rifle Association to which all Ladies' Rifle Clubs of Colleges of London University could be affiliated.

We beg to thank all who have kindly consented to become Patrons of the Club, and in addition our heartiest thanks are due to the Old Students' Association for the generous donation of £2 to our Prize Fund. A full list of Patrons will be published later, together with further details of the Club Competitions, Prize Fund, etc. In conclusion our thanks are due to Mrs. Lester Alton for founding the Club, and for paying the affiliation fee to the Marylebone Rifle Club, and also to her and to our Captain, Miss Tomlinson, for having coached us.

For full particulars of the Rules, Bye-laws and General Conditions, please apply to the Hon. Secretary, College Hall Rifle Club, College Hall, Byng Place, London, W.C.

(Signed)

January 24th, 1914.

A. M. MURPHY,

Hon. Secretary.
